

WHITE ASH PRIMARY SCHOOL

PE and SPORTS PREMIUM FUNDING

Planned Spending 2021 - 2022

Introduction

What is Sports Premium Funding?

The government is spending millions of pounds on improving PE and Sport in Primary Schools. The extra funding is paid directly to primary schools and they can choose how they use the funding to meet the needs of their pupils. Some examples of how the money may be used are:

- Hire specialist teachers/instructors or sports coaches to work alongside P.E. teacher
- Support and involve the least active children
- Provide additional/specialist resources and training for PE staff in schools
- Organise sports based competition
- Organise/run sporting activities with other schools

Ofsted and the DfE hold schools accountable for their spending by requiring them to publish on their websites details of how they have spent (or plan to spend) their PE and Sports Funding. Schools must also include evidence of the impact the funding has had on pupils' participation and attainment.

How much does White Ash Primary School get? £16,930 (Figures based on new funding 21/22)

How do we plan to spend the money?	How much will be allocated?	Who will be the focus?	Why are we spending this money in this way? (including evidence)	What will be the anticipated impact on our pupils?
Subscriptions				
School Sports Partnership Subscription	£1100	All pupils	Being an active member in this partnership has benefitted high numbers of pupils. This subscription has allowed for increased participation in sporting activities with local schools and throughout the county.	<ul style="list-style-type: none"> • All pupils engaging in sporting activities in the local community in relation to sport. • To promote healthy lifestyles throughout the school. • To develop pupils self-esteem and increased enthusiasm for sport • To develop pupils communication and pupils will learn the skills involved in being part of a successful team

----------------------------	--	------------	--	---

Evaluation of Impact:

How will we make sure these improvements are sustainable?

We are committed to PE and sport here at White Ash and value the impact it has on our learners resulting in physical development as well as improved confidence and self-esteem.

Our Physical Development Team work throughout the school monitoring standards and ensuring high quality delivery of physical activity and sport. All teachers' lead PE lessons and specialist trained staff delivery hydrotherapy, rebound and swimming. Teachers' benefit from the expertise of the specialist coaches in dance, football and cycling and attend regular CPD in this subject.

Staff record the progress of pupils and physical development targets are included in pupils ILPs for those it is relevant. Subject Leader formulates an action plan annually and identify areas for improvement and this is then evaluated to consider the impact.

The school has achieved the School Games Mark (Silver) which we aim to build upon during this academic year. The further development of the MOVE program throughout school will enhance our physical skills provision and with continued professional development we will ensure this is sustainable.

- To continue to ensure that all equipment within school is up to health and safety standard and that the equipment is kept clean and in a good condition.
- DJ will continue to encourage Physical Activity, well-being and Physical Education throughout school within scheduled lessons, play time and interventions throughout the school day.
- To continue to upskill teachers and staff within school to support and deliver high quality PE and PA session.
